

Parent Feedback

Mother of 3rd grader

"(This program) works better than any program that is being taught in our public school system and it is a shame that more children are not exposed to it in their reading class."

§ Increased 2 grade levels after 12 hours of instruction.

Contact: Jackie Tinnin ~ 810-687-6531

Mother of 11th grade honor student

"She understands more of what she reads and reads faster."

§ Increased 5 grade levels in 9 hours of instruction

Contact: Jackie Ivanoff ~ 810-487-0456

Mother of 3rd grader

"It took only 8 one-hour sessions to turn her into a reader."

§ Increased 3 grade levels in 8 hours of instruction.

Contact: Beth O'Hara ~ 810-229-4715

Mother of 7th grader

"I believe this program would (be a) benefit in teaching kids how to read in our public schools."

§ Increased 10 grade levels in 5 hours of instruction.

Contact: Lisa Sutton ~ 810-659-5905

Mother of 2nd grader

"He now has confidence to read and do his homework correctly."

§ Increased 4.5 grade levels in 11 hours of instruction.

Contact: Loucindra McDonald ~ 810-605-0437

Mother of 3rd grader

"The strategies he used to avoid reading have stopped. He could not read the directions before; therefore he found other things to do."

§ Increased 1.5 grade levels in 12 hours of instruction.

Contact: Lis Ivy ~ 810-655-8695

Mother of 8th grader-

"You are giving him the confidence in reading to help him to achieve his dreams for his future career and life choices with his ability to understand what he is reading and writing, which he didn't have before."

Contact: Jeanette Williams 810-820-0172

Mother of 2nd grader-

"You are truly miracle workers sent by God to help parents who know there is something better than the special education the public school offers. I get as much, if not more encouragement/ instruction than my son does and am confident that this program is the right choice for our family. The support we get from you is awesome and priceless.

Contact: Lou Cyndra McDonald 810-605-0437

Mother of 4th grader-

"We really appreciate what your company has done for him considering we had just about given up hope that he would ever find his way at school."

Contact: Dawn Eklund 810-249-0883

Mother of 3 sons- 4th, 3rd and 1st graders-

"My sons thank me and the person who told us about Ounce of Prevention often. They can read! They are holding their own!

Contact: Jeannette Smith 989-871-7694

Mother of 5th grader

"Her self-esteem has jumped, and she participates in reading out loud in class. Her ability to read and understand math problems has improved."

Contact: Shaun Thomas 810-659-7342

Mother of 3rd grader-

"He "feels" smart now and confident. His comprehension has drastically improved, which is really showing in math. Our family is bonding by reading together. He now reads to his sister, which he would never do before."
